FORTY-EIGHTH ANNUAL REPORT
OF THE
Western Home for Poor Children
FORTY-FIRST AND BARING STREETS
WEST PHILADELPHIA.

While we need the help of our friends as much as ever, we are glad to report that during the year which has passed the conditions at the Home have been most satisfactory. The health of the children has been so remarkably good, that we wish to speak of it especially. Considering the scarcity of coal and the unusual amount of sickness through the past winter, we feel we have a great deal for which to be thankful, in that the children have kept so well.

The devoted work of the Rev. Mr. Ohl and Rev. H. C. McHenry, in coming to the Home on Sunday afternoons to conduct services for the children, has been greatly appreciated by the Managers.

We are unable to accommodate more than seventy children in the Home, and at present all our vacancies are filled.

We wish to thank our many kind friends who have helped us so generously in the past, and we ask for their continued interest.

The invested fund of the Home is very small, and it is most desirable to increase it, as we are greatly dependent

upon donations and subscriptions for maintenance. We trust our friends will bear this in mind, and they may rest assured that in making us gifts, their donations will be wisely used, as we feel that the administration of the Home is economically managed. We receive no aid from the State. Especial thanks are due to the Public Schools, Churches and Societies which have provided entertainment, or made donations to the Home.

There is a special need for an enlarged Outing Fund. The Fourth of July and Christmas Day festivities are provided for by the income from the legacy under the will of John H. Jones deceased, but we may not use this fund for any other purpose, and there are many times when it is desirable to give the children little outings to the seashore, park or country, and we ask our friends' help in making this possible, by adding to our Outing Fund. We wish to thank the proprietors of the *North American* for their kindness to twelve of the children last summer in taking them to Atlantic City for a visit of ten days. It was a great delight to the children and also greatly benefited them. The Thanksgiving dinner was provided by the kindness of Mr. Monroe Smith, and Mrs. Monroe Smith gave the children their Easter toys and candies.

We especially wish to record the faithful and efficient services of the Matron, the Teacher and all the employes of the Home, during the year.

One very interesting incident occurred during the winter. A lady, whose name is unknown to us, visited the Home and left an envelope containing two hundred dollars, to be used by the Managers in the most beneficial way. It was the unanimous opinion and decision, that no better use

could be made of it, than by providing three new bath tubs, as the old ones were very shabby, and marked by constant use. The new washstands and porcelain tubs are a great addition to the Home and we earnestly hope the good friend who made possible this much needed improvement, will read this report and accept our most cordial thanks.

The Manual Training Class which was started two years ago has been doing excellent work and is of great service to the boys. We hope to enlarge this class during the next year by purchasing additional equipment, and giving more boys the benefit of this special branch of useful work, and we ask the help of our friends in perfecting this plan.

Visitors to the Home are welcome at all times, and any suitable amusement brought in by friends will be very acceptable to the children. The Admission Committee meets regularly at the Home on Wednesday mornings between the hours of ten and twelve o'clock.

By Order of the Board.

VIRGINIA LOUISE DECHERT,
Secretary.

May 1, 1903.

In Memoriam

During the past year the Home has lost two most faithful Managers, through the death of Mrs. Thomas Donaldson and Mrs. Emile C. Geyelin. Mrs. Donaldson was untiring in her devotion to the Home and gave her time and strength most freely in every way that could benefit the Home. Mrs. Geyelin had been a Manager from the early days of the Home, and her warm interest and assistance were continued throughout the entire time.

MINUTE ON THE DEATH OF SAMUEL B. HUEY.

Samuel B. Huey died November 21, 1901, in his fifty-ninth year.

For many years he was deeply interested in the charitable work of the Western Home for Poor Children, and was an active member of the Board of Trustees. By his sound advice and admirable business methods, he aided materially in its management. In his death the Institution has lost a most valuable member from its Board, a generous and willing supporter of its cause and a helpful co-laborer.

Mr. Huey was eminently a man of affairs. Educated to the law, he promptly took an advanced position, was recognized as a lawyer of ability, a wise counselor and a man of influence. Interested in the cause of education, he rose rapidly to fill positions of honor and responsibility.

As a Christian gentleman his influence for good was a power in the church, and as a citizen of prominence he took an active part in the administration of public affairs and was ever loyal to his city, his state and his country.

We especially feel his death and mourn with his family in their deep bereavement.

CHARLES B. KEEN,

S. S. STRYKER.

Committee.

MINUTE ON THE DEATH OF W. HASELL WILSON.

With deep and genuine feeling the Board of Trustees of the Western Home for Poor Children in Philadelphia records in this minute its sense of loss in the death on August 17, 1902, of W. Hasell Wilson, who was for more than thirty years a member of the Board and for some time its President, whose interest in the Home did not abate to the end of his long and honored life, and who manifested this interest with a rare combination of unfailing fidelity, sound judgment and winning personal manners, which was of the greatest benefit to the Home, and secured for him the sincere love and respect of his associates.
